Representative Marc Duff
Committee on Environment, Chairperson
State Capitol - 306 North
Madison, WI 53708

Dear Representative Duff,

I am requesting that Assembly Bill 739, which was referred to your committee be taken up as quickly as possible. This bill would extend the medical waste incinerator moratorium, which currently is scheduled to expire on July 1, 1998.

Due to this time constraint, it is of utmost importance that AB739 be acted on by the Assembly as quickly as possible. Your assistance in helping AB739 move forward would be appreciated.

Thank you in advance for your attention to this matter. If you have any questions, please don't hesitate to give me a call.

Sincerely

Jim Kreuser
State Representative
